**3D CONE BEAM INFORMED CONSENT**

I understand I am going to be having a 3D Cone Beam scan done. This scan is a three dimensional evaluation of my skull. Several slices will be acquired from the scan in accordance with my doctor’s needs and expectations.

I understand that Dr. Jim Beck is not a radiologist and will not be looking at my scan for purposes other than the diagnosis of temporomandibular disorder and/or obstructive sleep apnea.

Dr. Jim Beck has given me the option to have my scan read by a radiologist and a report obtained from this radiologist regarding the entire scope of the scan.

\_\_\_\_\_ I have agreed to send my scan to a radiologist and understand the fee of \$90 will be paid directly by me to TMJ-Sleep Colorado to obtain this reading.

OR

\_\_\_\_\_ I am refusing to have my scan sent to a radiologist. I have had the opportunity to discuss my refusal of treatment. My questions have been answered. By signing, I am making it aware that I am voluntarily refusing to proceed with the Skull & Facial Survey. Consequently, I do not hold Dr. Jim Beck, TMJ-Sleep Colorado, any associate, or any staff member responsible for any diagnosis, injury, or harm that I may suffer as a result of my refusal to follow this recommendation.
